

Boxer Biography, DI Ulrike Kainz-Goetz:

As an architect, artist and mother I live with my husband and 3 boxer, two bitches and one male, in Graz, Austria.

My kennel Santicum exists since 1979. It was founded by my mother, the breed inspector for the Carinthian Group from 1991-2001 when I took over this roll until 2011.

I have been a judge for Boxers since 1991. I have been invited to judge Boxers in Austria, Czech Republic, Slovakia, the Baltics, Italy, Slovenia and Croatia.

In 2011, in Santa Maria di Sala (VE, Italy) and in 2017 in Senec (Slovakia) I had the wonderful opportunity to judge at the Atibox, one of the most significant Boxer Shows in the world.

Since 2019 I am the chairman of the Austrian Boxerklub for the region Styria and Carintia.

I am looking forward to all the participants, excellent sportsmanship and to a fair and fun event in Norway.
